Lesson 7

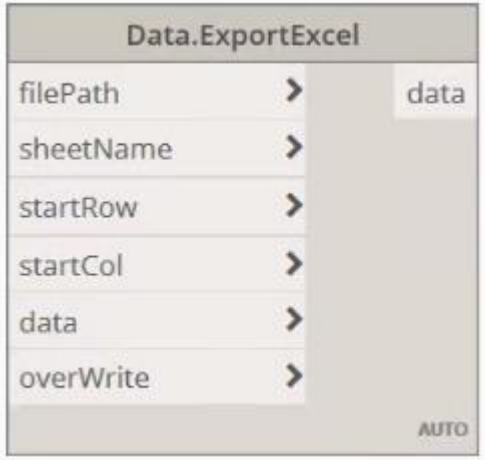
Working with Excel

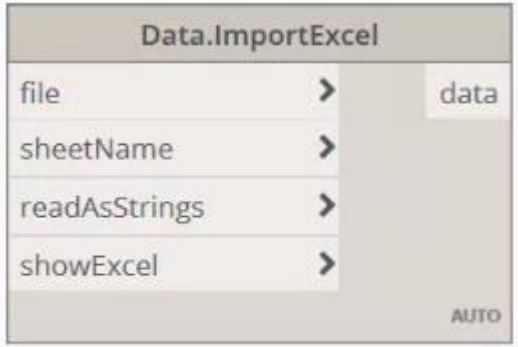
aussie BIM guru

Why use Excel?

Ease of data formatting!

Dynamo can both **push** and **pull** Excel data





aussie BIM guru

This Lesson will show…

Export room data **to excel**

Import and **update** room data **from excel**

aussie BIM guru

Straight to Dynamo

No time to waste!

aussie BIM guru

Custom Improvements

Bumblebee!

Custom package with many more features

Such as:

Maintain data in file vs. rewrite

Maintain formatting in file

Add formatting, write to multiple tabs
