What is Xuver?

An online communication platform for 3D models

- ✓ Model viewer
- ✓ Web based (no software needed)
- ✓ **Easy to use**, easy to share!

I see a lot of potential in what this tool offers AEC

What I like about Xuver

Above all, it's fun to use! But other benefits include

- ✓ Ability to share with clients
- ✓ Reviewing models together
- ✓ Gives more value/awareness
- ✓ Quick to setup and learn
- ✓ Get in early on the program!

What I use it for

A few things currently

- ✓ Model share with clients (non-author)
- ✓ Model share with authoring clients
- ✓ Coordination review
- ✓ Model audits
- ✓ For fun!
