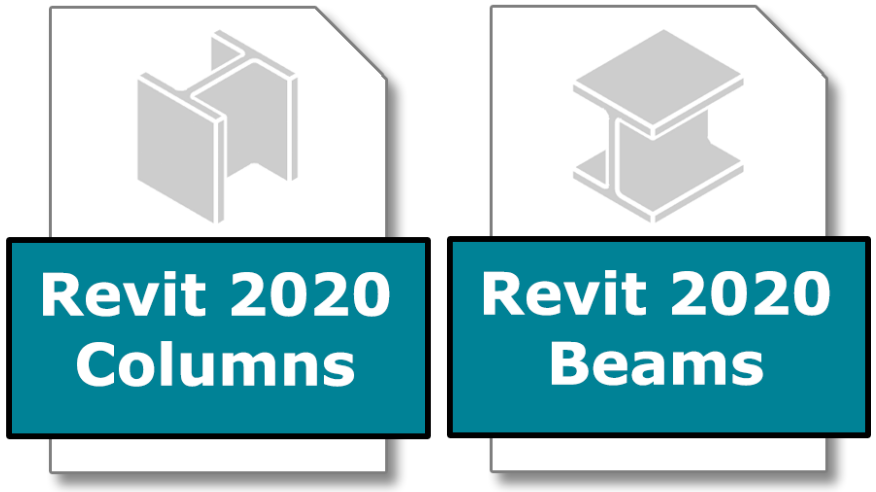
Demonstration
Revit 2020 Columns/Beams

Work vs. Play

Announcing…



Purpose of this video

- How to purchase
- Quick demonstration
- Future products

Please note

- Don’t feel pressured to buy!

although

- This may provide you with a good **content resource**, and may help you better follow some future videos

Pricing

- Typically **$40 AUD each**
- 1 week special, **25% off**
- Not planning further discounts this time

Why share it?

I want the industry to improve, and think we need examples of quality content.
