Scope Boxes (& Key Plans)

Scope Boxes and Key Plans

In Revit (with some Dynamo!)

aussie BIM guru

In this session...

Creating, naming and laying out **scope boxes**

Creating **dependent views**
& Applying scope boxes

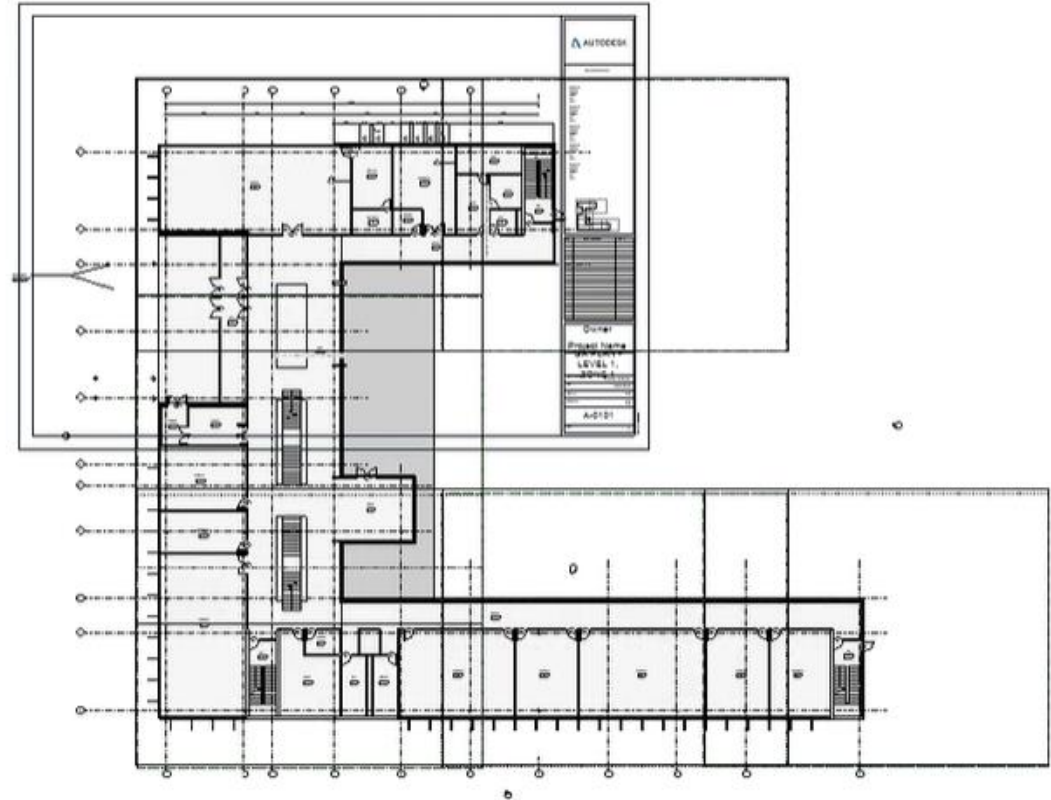

Creating a **Key plan** for your sheets!

Scope Boxes- why?

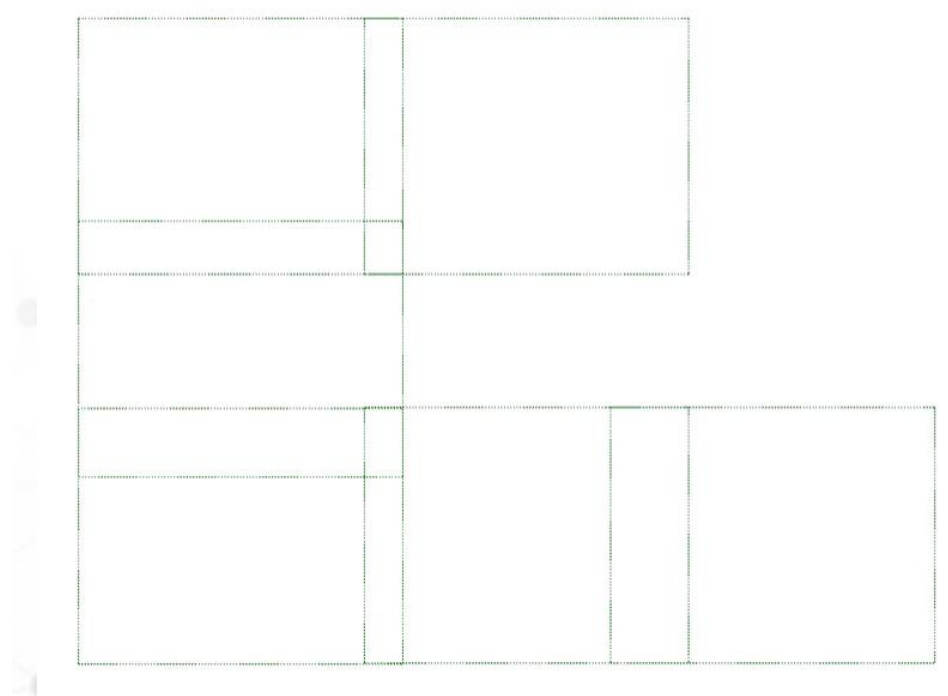

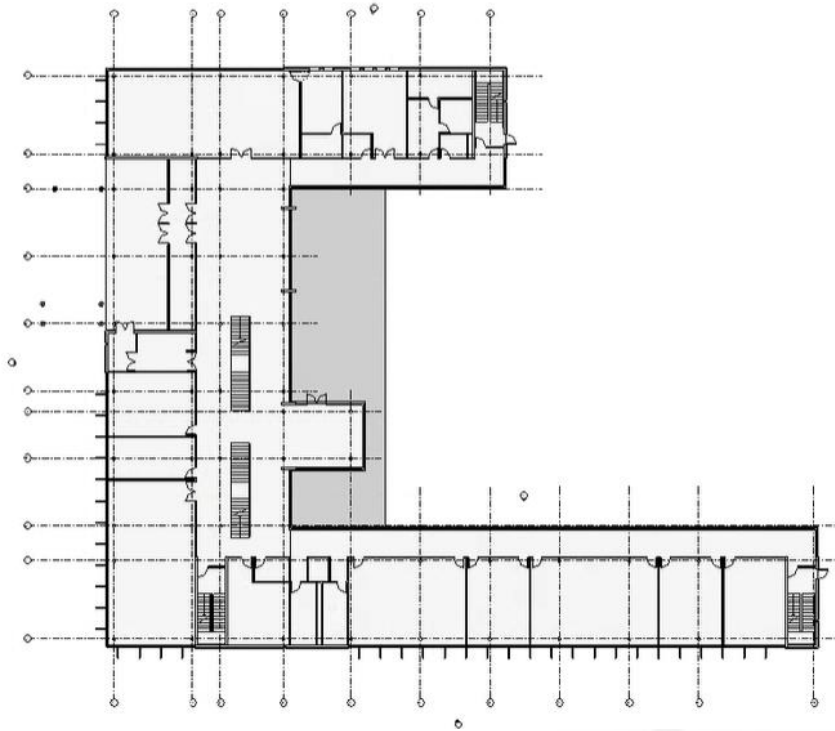

My plan is
too big!

✕

This playlist deals specifically with tutorials and demonstrations in Dynamo for Autodesk Revit. Most scripts are built in either the 2.0.2 or 2.0.3 builds (Dynamo Core version 2.1.0). Tutorials typically range from intermediate to advanced experience level. If you have any topic request, feel free to leave a comment on the channel or a video!
