Just stumbled on your YouTube channel and it has some great stuff in it! I would love to connect!

JUL 7

Gavin Crump · 1:21 PM

Always great to meet another content creator! I believe you were sub number 200 - nice channel name too. Will definitely keep an eye on your videos, some handy little techniques on display. I'm just learning python currently - definitely some videos I can see will help there in your channel. Keep in touch :)
