

Solar Responsive Facades

3 part tutorial series

aussie BIM guru

Part 1

Dynamo and Images

aussie BIM guru

Managing Image Files

aussie BIM guru

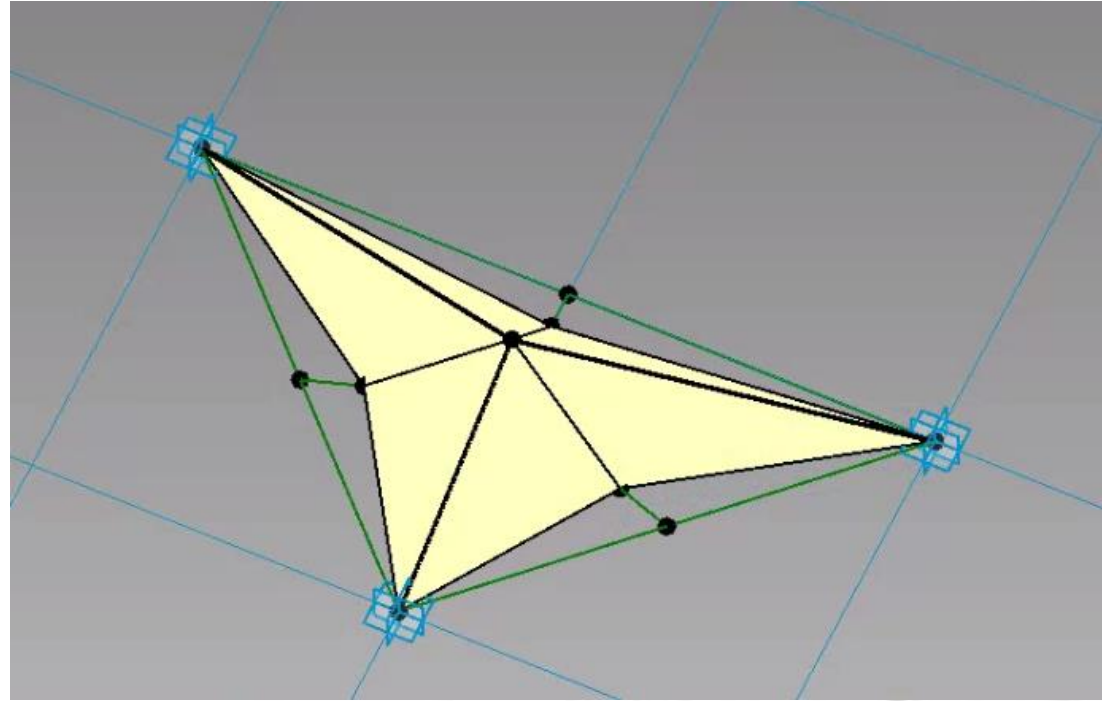

Part 2

Curtain Panels by Pattern

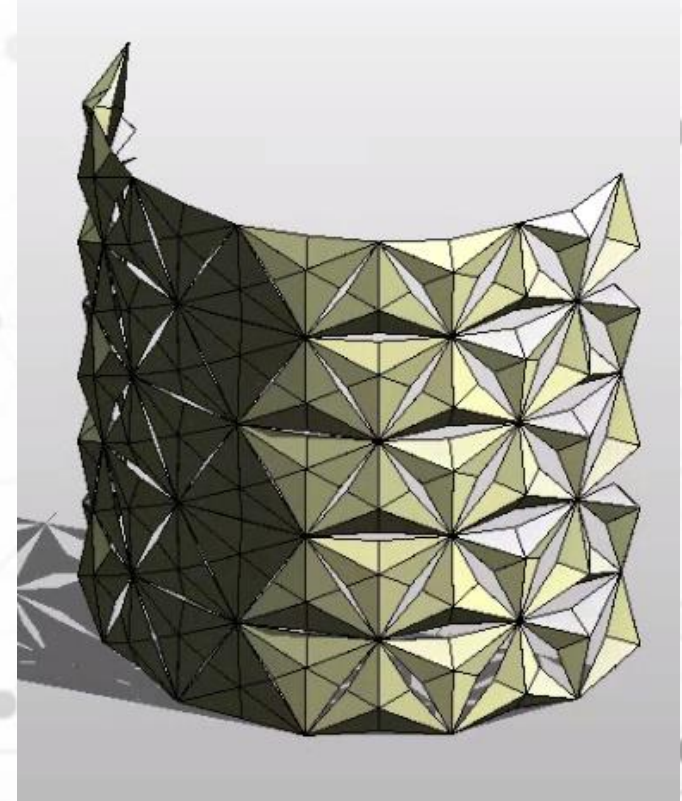

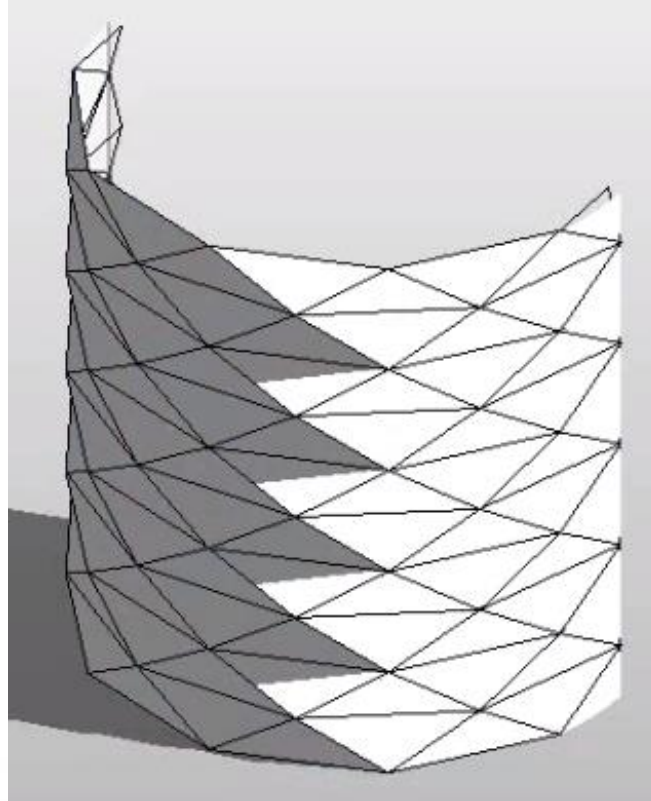

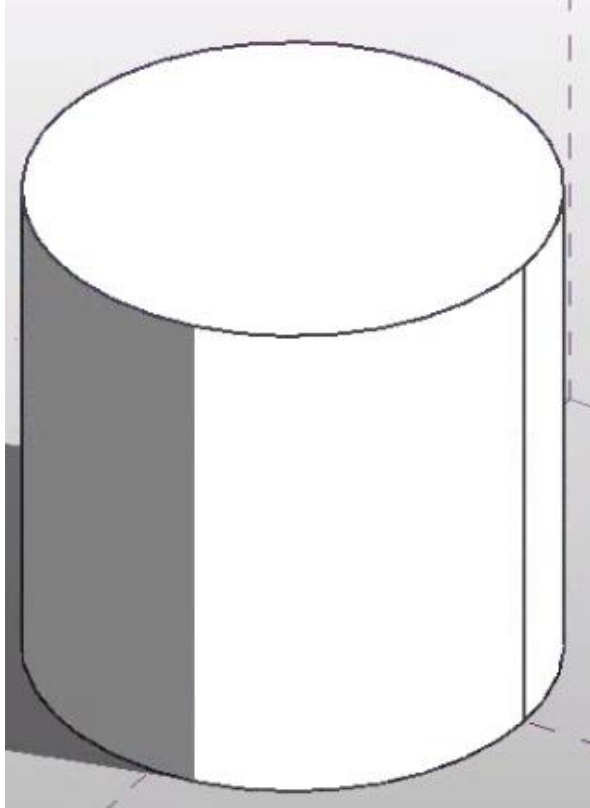

aussie BIM guru

Adaptive Components

aussie BIM guru

Conceptual Massing

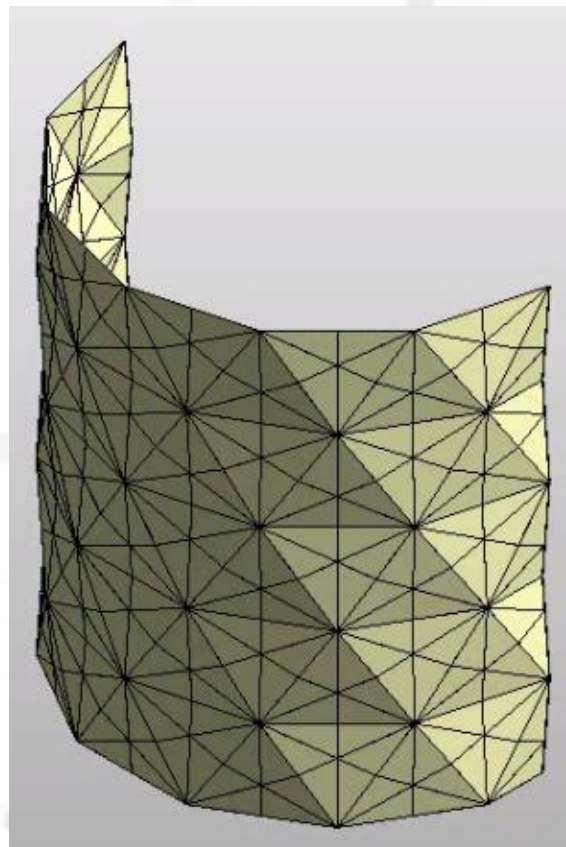

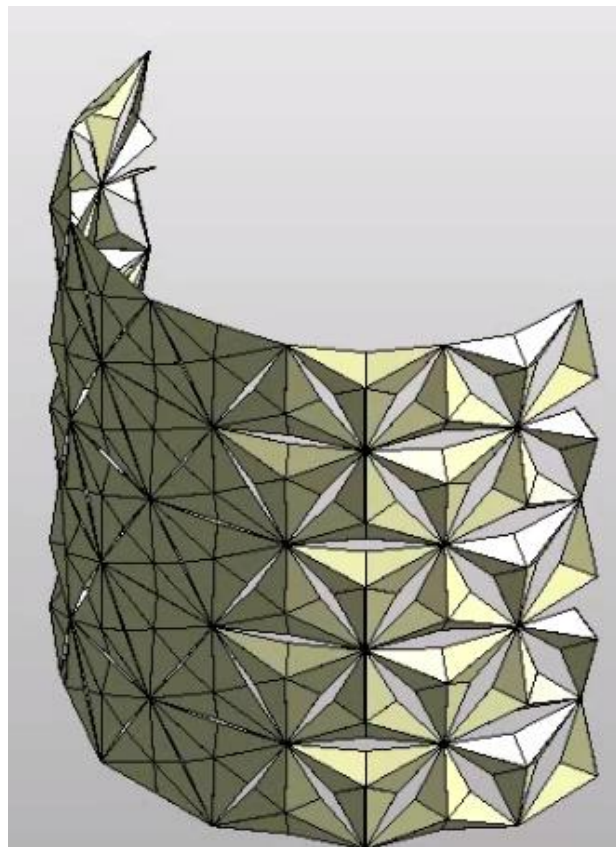

aussie BIM guru

Part 3

Image Mapping in Dynamo

aussie BIM guru

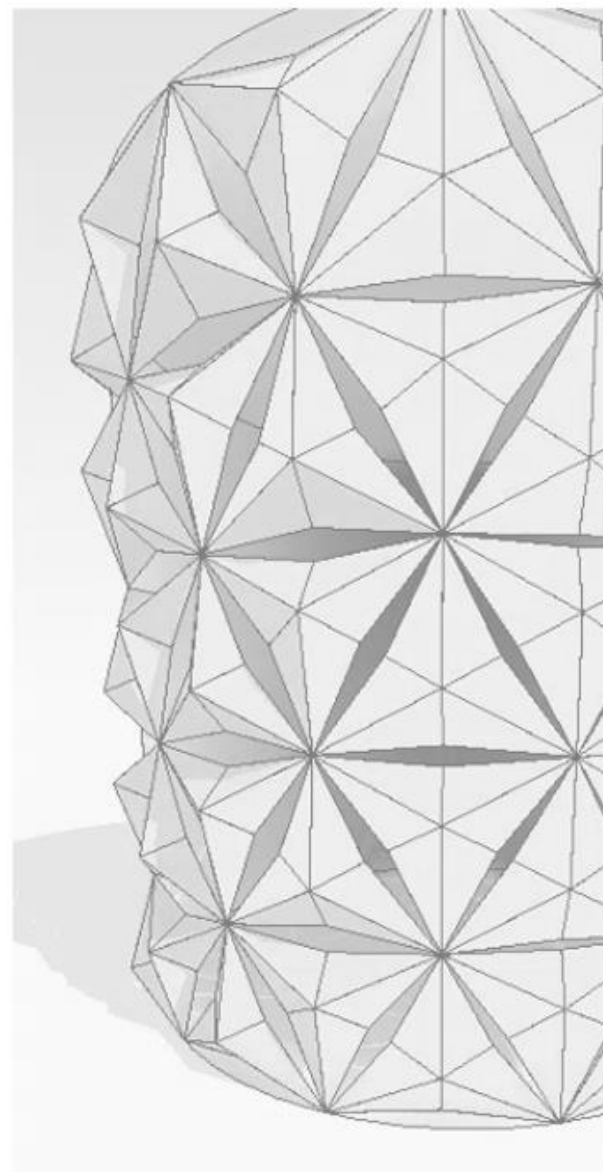

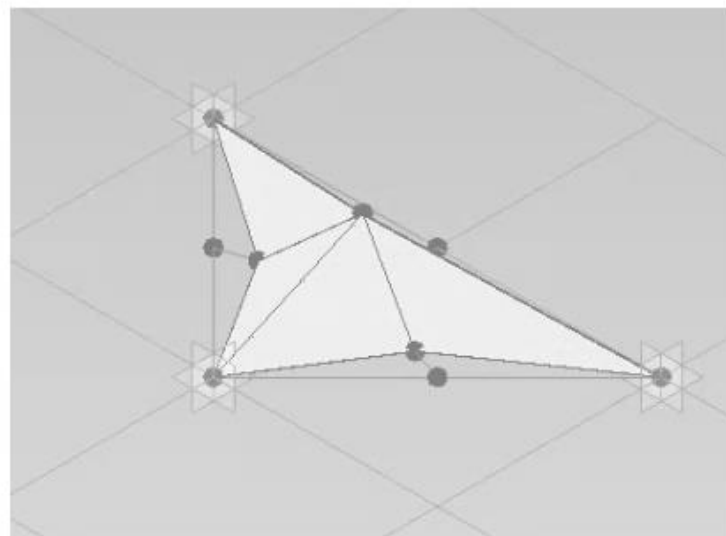

aussie BIM guru

A background network diagram consisting of numerous small grey dots connected by thin grey lines, forming a complex web-like structure that fills the right side of the slide.

Without further ado...
