Power BI

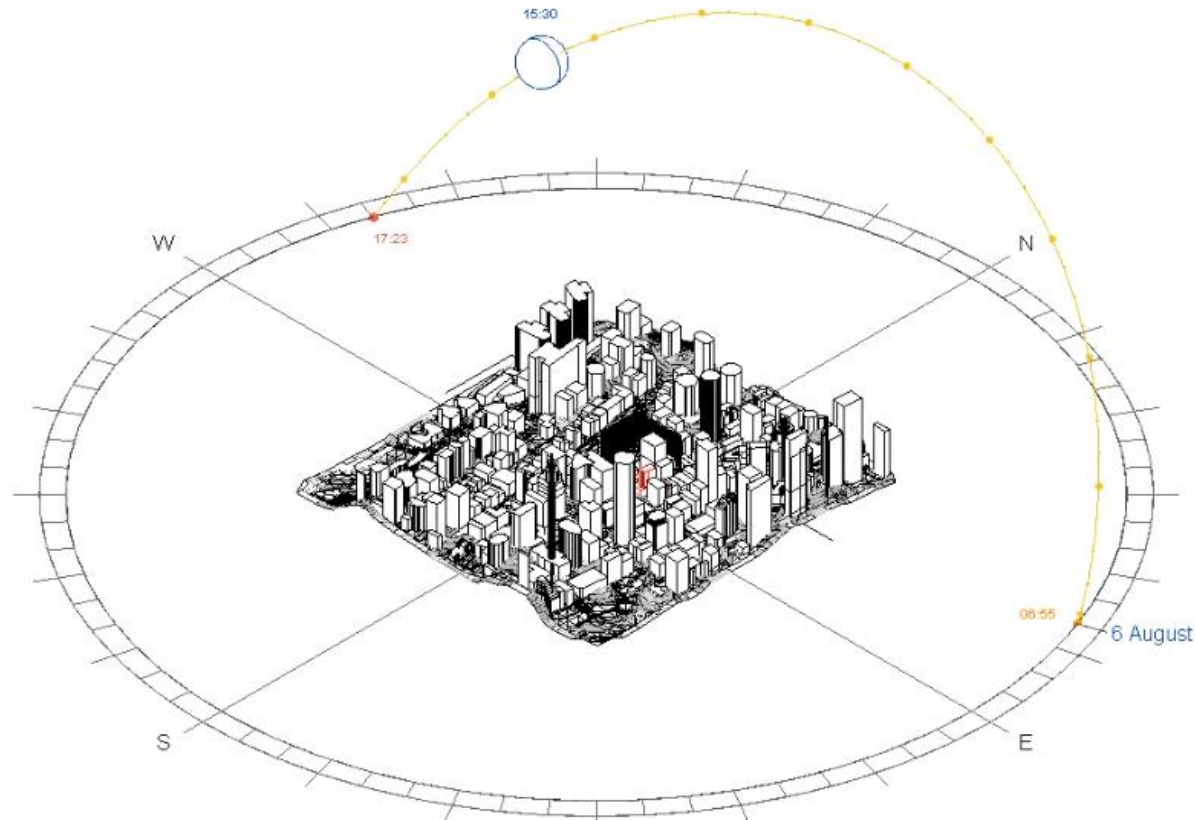

Analysis and reporting

10: Power BI Report

aussie BIM guru

Not teaching the basics

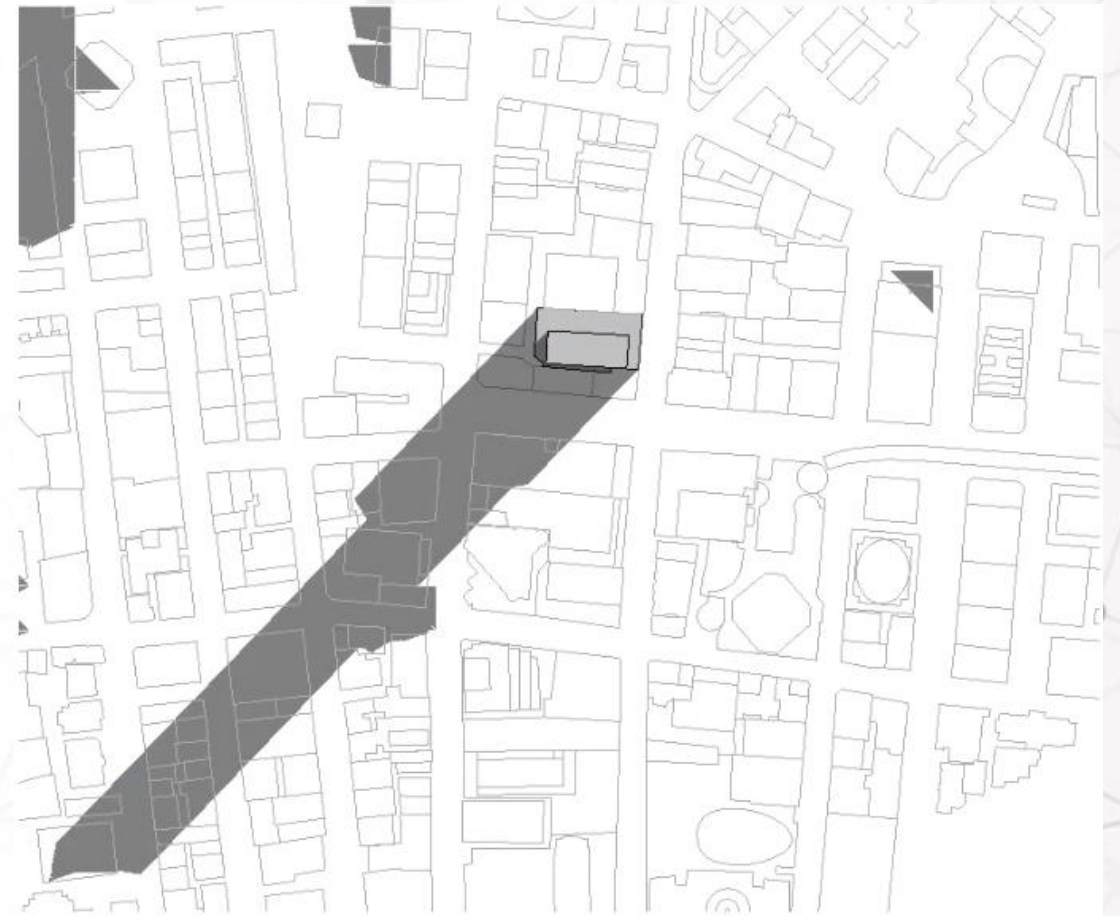

aussie BIM guru

Workflow 1 – Still Time

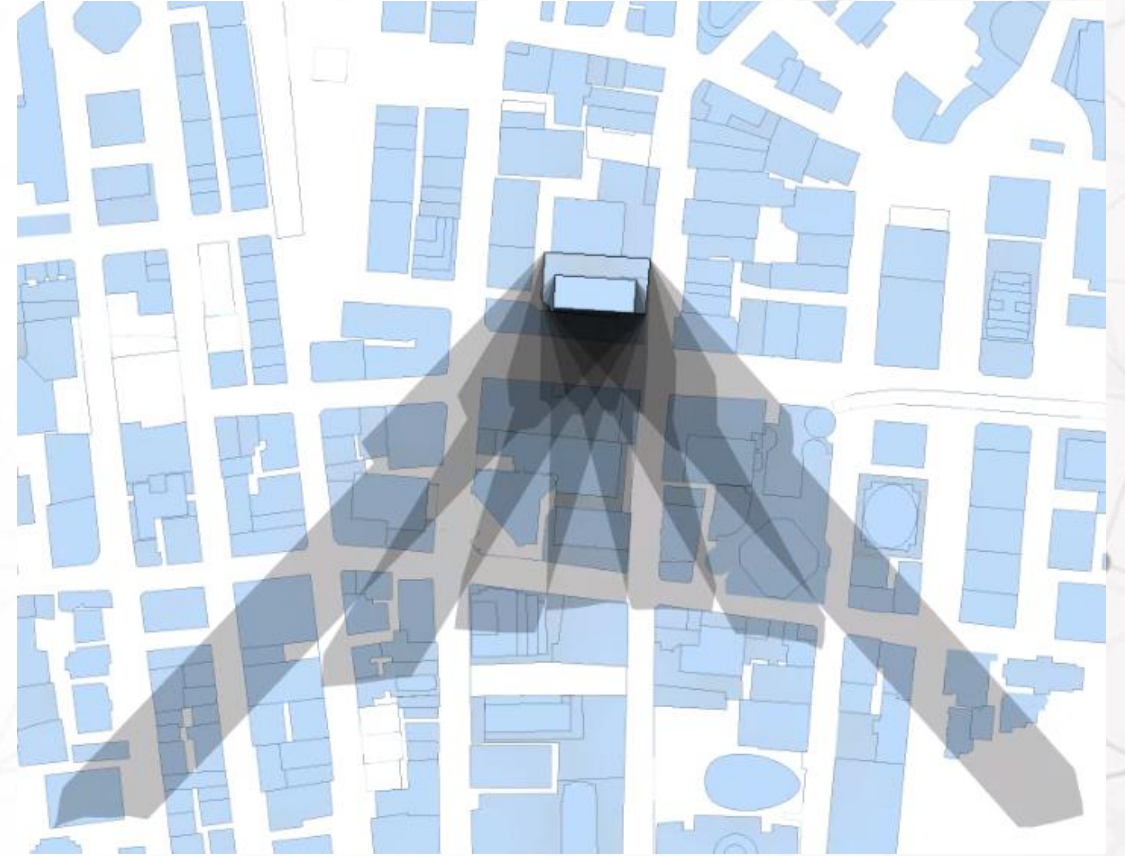

- Overlay site as DWG
- Cast to DWG topo
- View per time

Dynamo will streamline this workflow in Part 6

Workflow 2 - Composite

- Export as separate images
- Composite in photoshop
- Import image to Revit

A faint, light gray background graphic consisting of a network of interconnected dots and lines, resembling a molecular or digital structure, extending across the right side of the slide.

Without further ado...

Let's get started...
