Changing
Program Icons

Thanks for
the request!

KASPER MILLER · 1st in

Kasper Miller commented: "Gavin, just noticed your Revit icon images in the taskbar. Would you mind sharing those with me? I like them! :)"
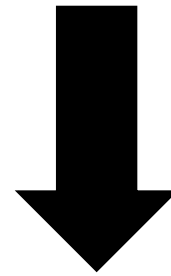

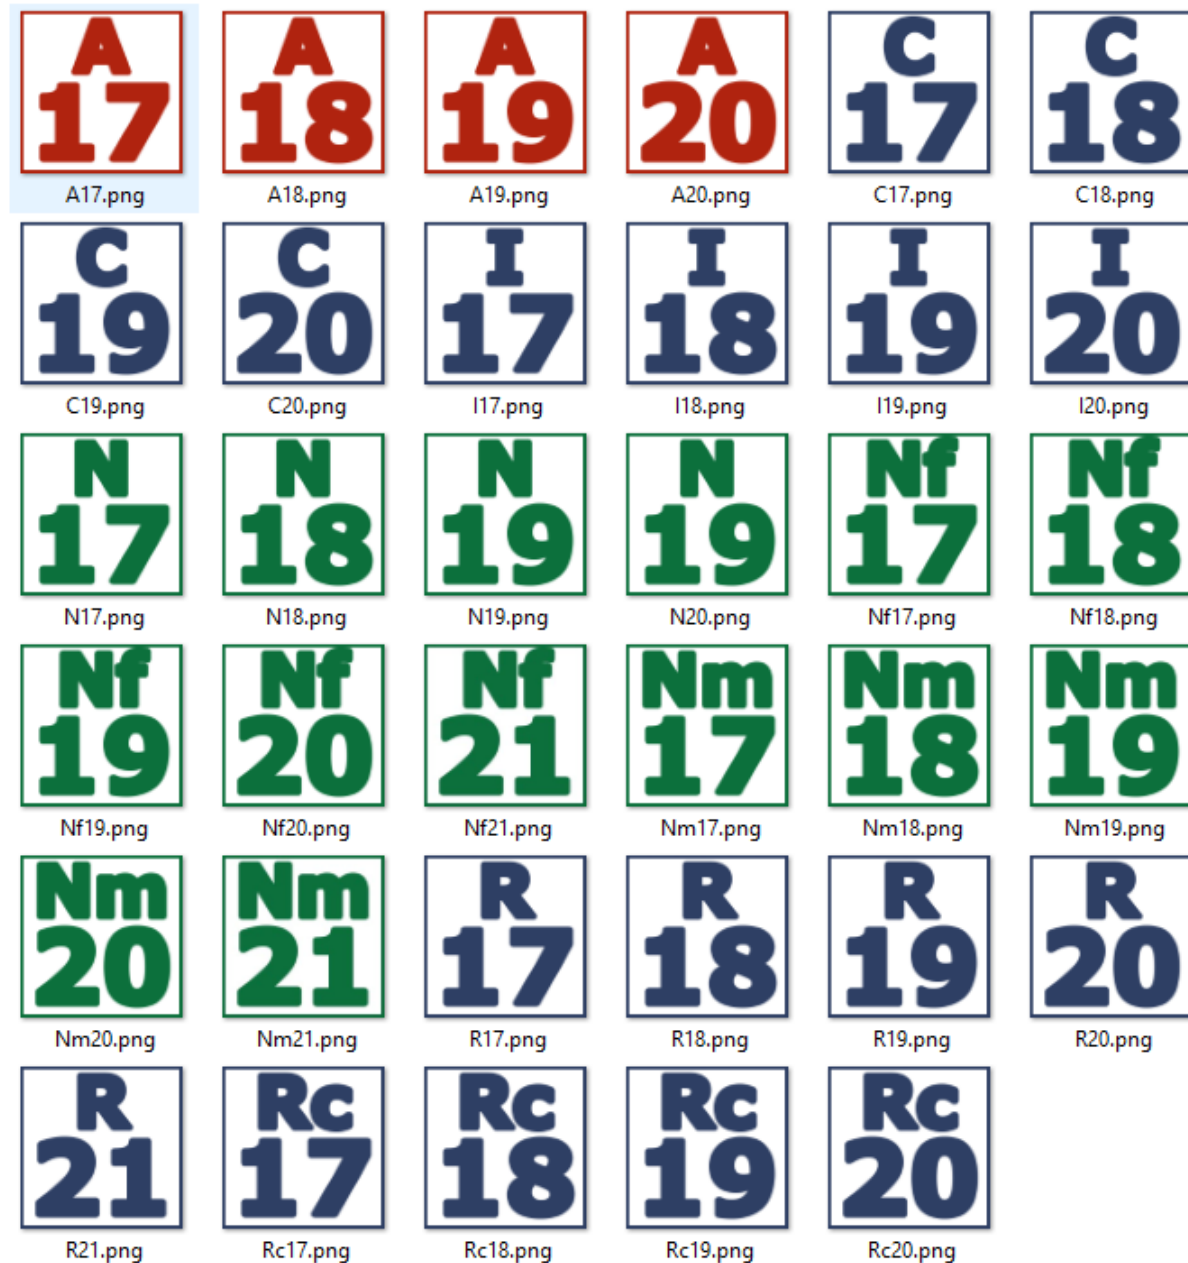

In this video

- Why custom icons?
- How to produce
- How to convert to .ico
- How to apply

Why use custom icons?

- Hard to tell them apart!
- Especially Autodesk

Mine vs the rest

Source files

Quick
demonstration!

Convert PNG to ICO files
