Automate your **Dropbox** Backup!

What I'll cover…

- My backup process

- What Dropbox offers
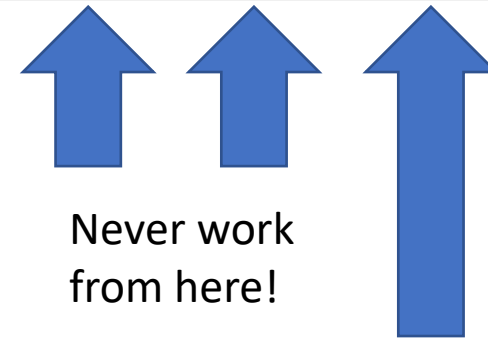

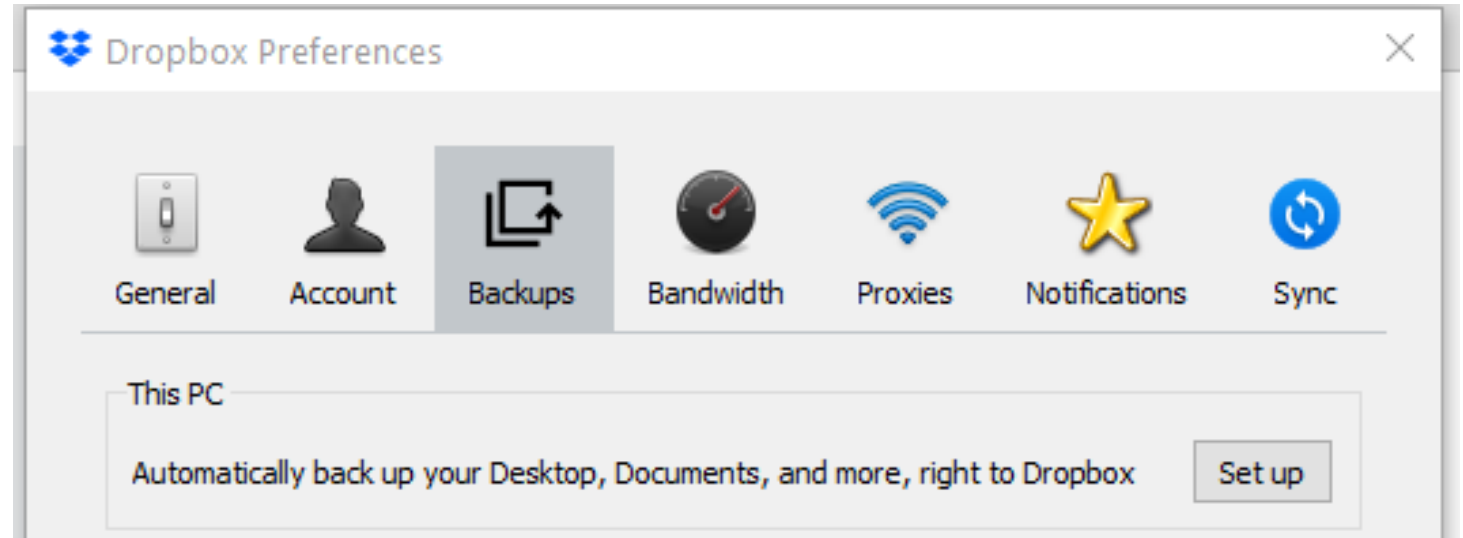

- The solution; **SyncToy**!

- How it works

My backup processes

- Aussie BIM Guru
- BIM Guru (work)
- Revit projects/files
- Everyday files

1 Physical (External HD)
1 Digital (Dropbox)

DropBox 'automated' backup

Dropbox Preferences

General | Account | **Backups** | Bandwidth | Proxies | Notifications | Sync

This PC

Automatically back up your Desktop, Documents, and more, right to Dropbox | Set up

Never work from here!

'More' = My Downloads

Fail!

The solution

Files are on github

https://github.com/aussieBIMguru

Automate your **Dropbox** Backup!
