## Using Dynamo

aussie BIM guru

Dynamo Sydney User Group

# Warnings

Don't ignore them!
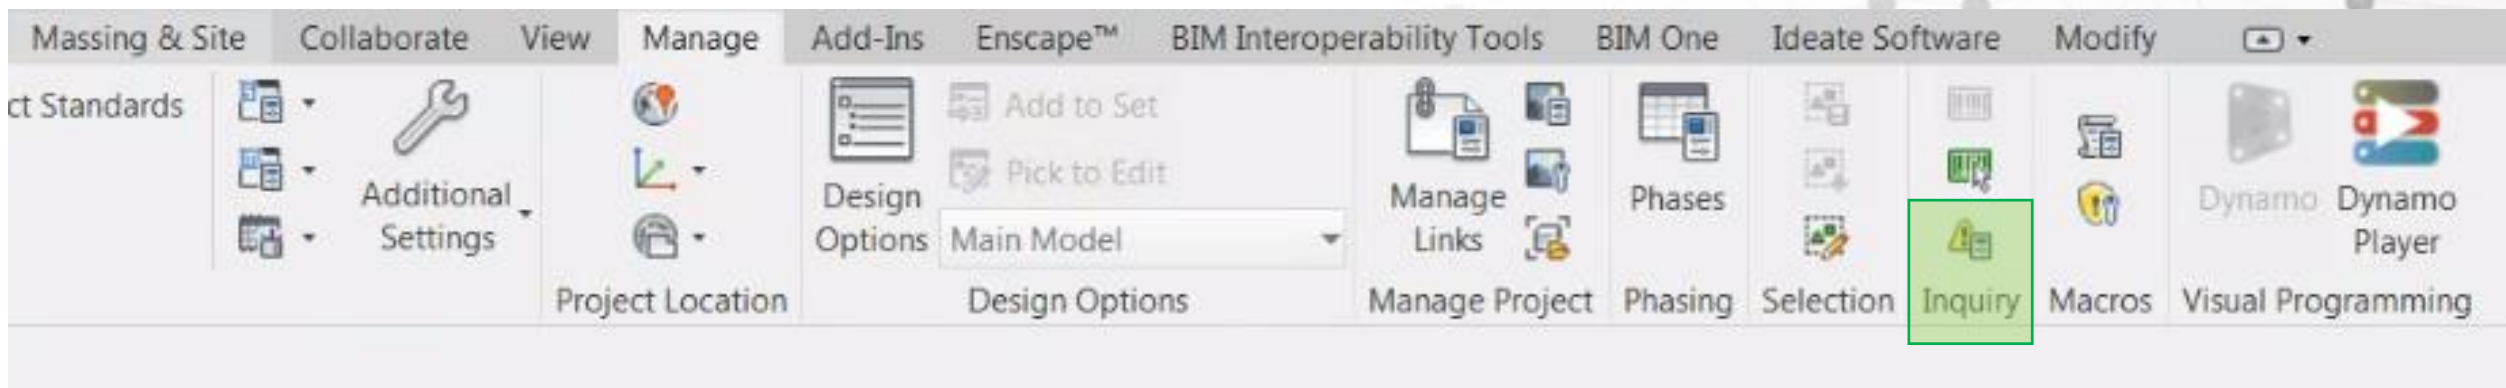

Warnings

- Overlapping walls
- Unenclosed rooms
- Rooms in same region
- Lines off axis
- Duplicate elements

Any many others...

aussie BIM guru

If we ignore them

- Slower model
- Unenclosed rooms
- Double scheduling
- Unable to dimension

  Any other issues…

aussie BIM guru

But they take a long time to review…
